

Newsletter Issue 01

November 2021

DEAR JOB SEEKER,

Welcome to the first monthly edition of the DyNexus Recruiting Newsletter. Each month, we will bring you valuable information to help you successfully navigate the complicated waters of modern Technical Job Searching from a Professional Recruiter's perspective. Whether we've considered you for job opportunities in the past, we're working with you right now, or you'll be looking for career opportunities in the future, we appreciate you and hope the information in this Newsletter is useful to you and your career goals.

Blog of the Month Should You Put Your Vaccination Status on Your Resume?

"We have recently talked about why Employers should offer remote work. We have discussed a priority shift in Employee benefits away from long-term 401K plans..."
